

## PURCHASE AGREEMENT

### PAYMENT & TRAVEL FEES

Once the buyer has selected a kitten, he/she will be asked to put down a non-refundable deposit to hold the kitten. The non-refundable deposit can be placed via PayPal or through a Walmart Money Transfer. If the buyer would like to meet part-way to pick up the kitten, please make sure to contact Kansas Munchkin Kittens before a deposit is placed so we can work out travel costs in the deposit.

### PICK-UP ARRANGEMENTS

As the buyer, he/she agrees to pick up the kitten and pay the remaining balance (after deposit) within one week of the kitten turning 12 weeks. Unexpected changes in weather or family emergencies that affect pick-up time/date must be communicated and approved by Kansas Munchkin Kittens. If communicated and approved, Kansas Munchkin Kittens will accommodate accordingly.

### SELLER AGREEMENTS

- Kansas Munchkin Kittens will provide written records of worming and any vaccination records the selected kitten has prior to pick-up date.
- Kansas Munchkin Kittens guarantees that the selected kitten will receive a health check and the appropriate vaccinations based on their age before the buyer takes possession.
- Kansas Munchkin Kittens will provide a small Animal Health Certificate or a statement showing that it has been checked by a licensed Veterinarian (unless the buyer chooses to buy the kitten without a vet check).

### BUYER AGREEMENTS

By placing a deposit, the buyer agrees to continue the following:

- To provide veterinary care of the kitten including the appropriate shots and worming care based on the kitten's age.  
To NEVER place the kitten in an animal shelter or rescue center.
- To NEVER breed the kitten.
- To send proof (copy of the vet bill) of the kitten being spayed or neutered within 6 months of the kitten's age.
- To NEVER sell or give the kitten away without contacting Kansas Munchkin Kittens first.

## AGREE & SIGN

\*\*Before placing a deposit, please note that all kittens are sold as unregistered cats and purchasing a kitten does not give the buyer the rights to breed the kitten (see buyer agreements above).

By sending Kansas Munchkin Kittens a deposit via PayPal or through a Walmart Money Transfer Order, you as the buyer, agree to the terms and conditions listed above.

Upon pick-up, the buyer will be asked to sign this purchase agreement physically noting that you agree to all terms and conditions that come with your new bundle of joy.
